Re: Kerry Federation Outings postponed/closure of Kerry Golf Clubs

A chairde,

We wish all Kerry golfers the best of health in these difficult times. As per government and GUI guidelines, all Federation Fixtures are now postponed until further notice. It is difficult for anybody to predict at this stage when we may be able to resume normal living but hopefully we will be in a position later in the year to reschedule events.

Recent closure of Killorglin and Castleisland GCs

It is a matter of deep sadness to all of us that two of our member clubs in the Kerry Federation, Killorglin GC and Castleisland GC, have announced their full-time closure in recent weeks due to the impact of Covid-19. These closures are a matter of huge sadness and deep disappointment to the dedicated members, committees and staff who worked tirelessly to bring these clubs to financial viability in recent years. Many Kerry golfers will continue to have fond and treasured memories of playing these fine courses over the years in various competitions and outings – of rounds shared with family members or friends, of their first time in the prizes, of that eagle or hole in one. Go raibh míle maith agaibh.

le meas,

Fionnán Ó hOgáin
